

## Multipurpose Venue - Outstanding Experiences

## 20 Venues, 1 Location, Endless Possibilities

With over 20 outstanding venues on 30 hectares, Sydney Showground is the perfect place to host any event. We are located at Sydney Olympic Park, just 25 min from the CBD and with a train station at the front door and parking for 10,000 vehicles, getting to us is easy.

**MEETINGS:** Sydney Showground has several intimate venues available for small to medium-sized corporate meetings. We have experience in hosting meetings of all kinds, from basic to complex, and apply the same expertise that we do to the management of larger events.

**CONFERENCES:** When you host your conference at Sydney Showground you will enjoy the services of a personal Event Planner assigned to your event and the expertise of our team will ensure that your conference is a success.

**GALA DINNERS:** Whether it's a Christmas function, awards dinner, or product launch— Sydney Showground has the expertise to ensure a spectacular event, with award-winning catering, access to the best produce in Australia and excellent service. Our Event Planners can assist you in planning the perfect event, from menu selection and table layout, to catering, theming and organising entertainment.

**COCKTAIL PARTIES:** From end-of-financial-year drinks, to pre-sporting match functions and Christmas parties – Sydney Showground offers several unique venues to host cocktail parties with flair.

### OUR SERVICES INCLUDE:

- Event Planning and Management
- Award Winning Catering
- Logistics and Security
- Ticketing

**OUR CLIENTS:** Our team has worked closely with some of Australia's top corporate clients including Woolworths, Pfizer, Coles Myer, Australian Rugby Union and Commonwealth Bank.

*"Thank you so much to the team who put on such a lovely day for us. Thank goodness for the size of the venue. We had great feedback from all re: Cleanliness of the venue and the fantastic food. The staff were very friendly, please pass on my thanks."*  
Event Manager, Shell Australia
