

# Hubs 1 and 2

SYDNEY  
**Showground**

Sydney Olympic Park

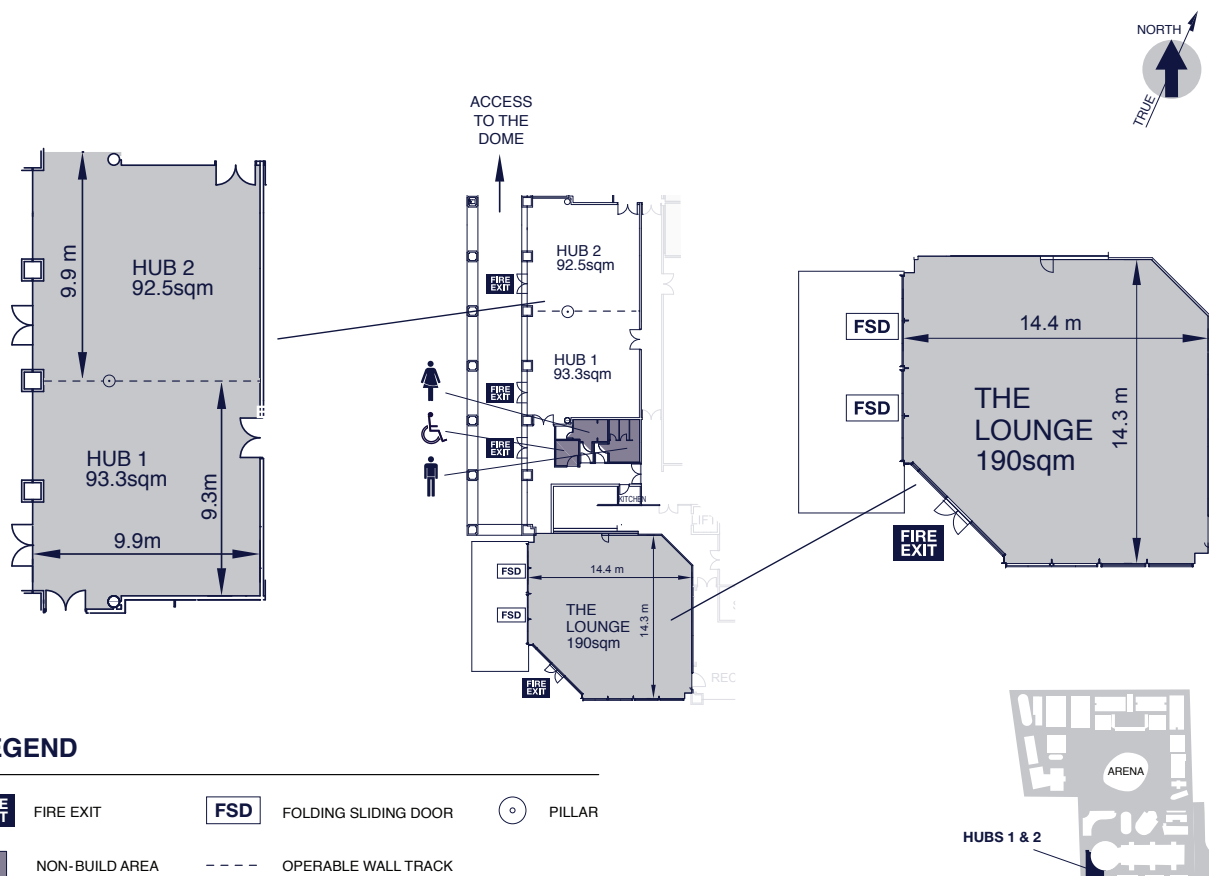

## Hubs 1 and 2

Hubs 1 and 2 provide a contemporary, versatile space for small meetings and breakouts. They can be used as one single space or split into two multi-function rooms with an operable wall. Many of our clients use Hubs 1 and 2 as seminar rooms in conjunction with other exhibition spaces at Sydney Showground. The venue has built-in AV facilities.

## Features

- Contemporary finish
- Built-in AV facilities
- Operable wall enables space to be divided into 92 sqm venues
- Indoor and outdoor flexibility
- Air-conditioned and carpeted
- Nearby Lounge café, located adjacent to Hub 1, is perfect for pre-dinner drinks or a networking function
