TERMS AND CONDITIONS

1. Please note the infrastructure for the above services (plumbing, air and gas) are only available in the Dome and Exhibition Hall 2, Exhibition Hall 3, Exhibition Hall 4, Exhibition Hall 5 and Exhibition Hall 6. Price on Application is required for stands located outside of the Dome and Exhibition halls.
2. No licensee or licensee's contractor is permitted to provide plumbing services at Sydney Showground, unless prior approval has been granted by the Sydney Showground OperationsDepartment.
3. As not all stands are located near water, waste or gas outlets, please check with the exhibition organiser if your stand has access to the services you require.
4. Unless the stand is erected in the stipulated time or the application has been lodged at least 5 business days prior to the Event, Sydney Showground cannot guarantee that the connection will be installed.
5. If additional labour is required for any onsite changes or inclusions, the exhibitor will be charged $125 per hour onsite labour fee (a minimum 4 hour charge applies). In addition, a late fee surcharge of 15% may be applied to orders made and/or changed on site.
6. Any water usage exceeding (>10,000 litres) will be charged to the exhibitor at a commercial rate.
7. All installations applied for and any alterations to installations will be invoiced to the licensee. Licensees must clearly mark the location of all installations/services required on the attached diagram.
8. All material and fittings supplied and installed by Sydney Showground will remain the property of Sydney Showground. Fittings that are damaged or not returned will incur a replacement cost charged to your exhibitor service account.
9. Exhibitors will be required to supply their own appropriate hose to connect to the water point.
10. Exhibitors providing their own sink and arranging for Sydney Showground to install a water connection, please note this does not include Hot Water Installation. Additional charges will apply.
11. Exhibitors to ensure they provide an oil/water separator filter for compressed airlines.
12. Whilst all endeavours will be made to provide dry and oil free compressed air, Sydney Showground cannot accept liability for any damages arising from the supply of compressed air.
