

Your team can enjoy a unique, all-inclusive Corporate Christmas party including carnival rides, games and gourmet pop-up eateries – all in a fabulous festive environment.

The easiest Christmas party to organise, a four hour package starts from only \$84 per person (minimum numbers apply).

“It was the perfect venue for our Family Fun Day – all the hard work was already done for us and staff only had to turn up with their families and enjoy the day. There was a fantastic range of rides and the food options were amazing. I wouldn’t hesitate to book for 2018 knowing how much our staff and their families enjoyed the day”.
