

Venue spotlight

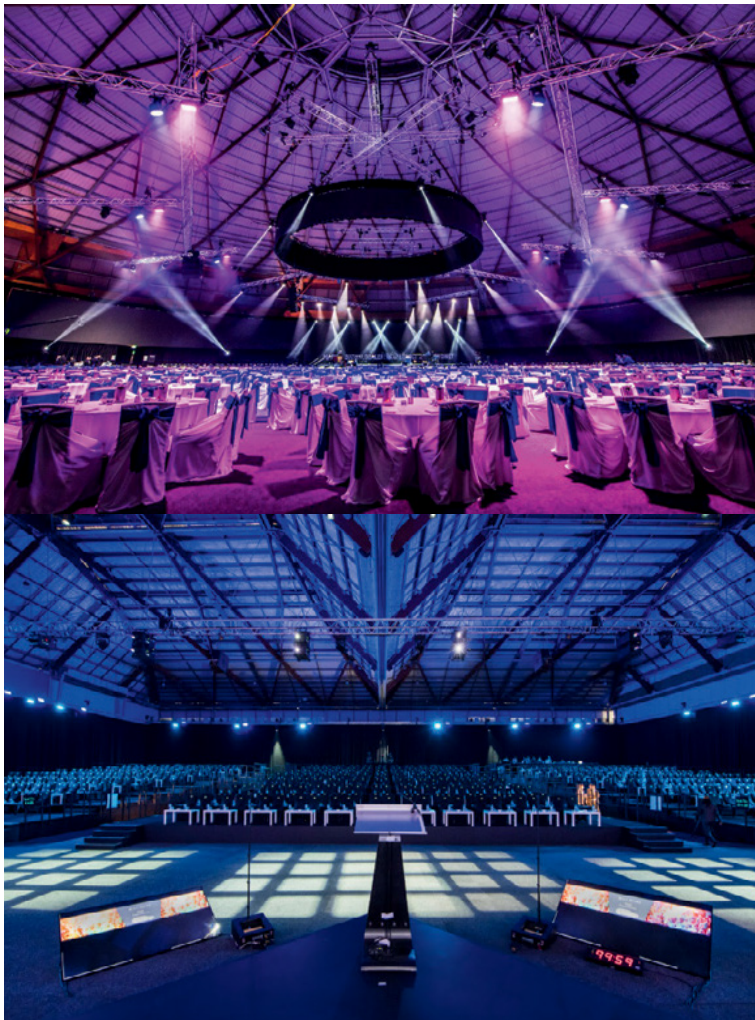

Venues across Australia are ready to welcome back in-person events. Here's how they're doing it with COVID-safe measures front of mind.

Sydney Showground, Sydney

1 Showground Road, Sydney Olympic Park

Sydney Showground is one of the city's most spacious and versatile events venues. Located at Sydney Olympic Park, the venue offers a wide variety of flexible spaces to hire including pavilions, exhibition halls, a broadcast studio, and the world-class GIANTS Stadium. Demonstrating its ability to run COVID-safe events, Sydney Showground has successfully delivered a range of events recently, including sporting matches, expos, corporate functions, and the 2021 Sydney Royal Easter Show, which was the world's largest ticketed event to take place at the time. With 120,000 square meters of indoor and outdoor space and a highly skilled team, the venue provides the flexibility, guidance and support organisers need to accommodate government health regulations and navigate running an event safely and successfully in an ever-changing environment.
